It is a condition of publication that manuscripts sub-  
mitted to this journal have not been published and  
will not be simultaneously submitted or published  
elsewhere. By submitting a manuscript, the authors  
agree that the copyright for their article is transfer-  
red to the publisher if and when the article is ac-  
cepted for publication. The copyright covers the ex-  
clusive rights to reproduce and distribute the article,  
including reprints, photographic reproductions,  
microform or any other reproductions of similar  
nature and translations. No part of this publication  
may be reproduced, stored in a retrieval system or  
transmitted in any form or by any means, electronic,  
electrostatic, magnetic tape, mechanical, photo-  
copying, recording or otherwise, without permission  
in writing from the copyright holder.

**Photocopying information for users in the U.S.A.:**  
The Item-Fee Code for this publication indicates  
that authorization to photocopy items for internal  
or personal use is granted by the copyright holder  
for libraries and other users registered with the  
Copyright Clearance Center (CCC) Transactional  
Reporting Service provided the stated fee for copy-  
ing beyond that permitted by Section 107 or 108 of  
the United States Copyright Law is paid. The ap-  
propriate remittance of \$3.00 per copy per article is  
paid directly to the Copyright Clearance Center  
Inc., 21 Congress Street, Salem, MA 01970. The  
copyright owner's consent does not extend to copy-  
ing for general distribution, for promotion, for  
creating new works, or for resale. Specific written  
permission must be obtained from the publisher for  
such copying. In case of doubt please contact your  
nearest Pergamon office.
